RANCH

Notice of Cancellation:

Wissler Ranch Homeowners, Board Meeting

Saturday, July 15, 2023

Please forgive the late notice, but I have been informed that a quorum will not be present for Saturday's meeting. Therefore, the meeting for the month of July is **cancelled**. Fortunately, after polling the Board members, there appeared no pressing issues and no need to hold an Executive Session. A broadcast email message was also sent to advise homeowners who have provided their email addresses of the cancellation. If you have any questions or concerns, please contact board@wisslerranch.com.

Of interest to all:

You may have noticed no activity at the site of the Fire Cistern. We await Mountain View Electric which will install three-phase power, boring under Wissler Ranch Road to a location on the East side of the road. Our project has been in their cue since June 20 when the MVEA agreement and Grant of Right of Way were delivered to their office. Following the installation, the cistern and related equipment will be ordered.

Again, please accept my apologies for the late notice.

Hal Goldback, President
