The Committee may disapprove if the plans and specifications submitted are incomplete, or in the event the Committee deems the plans, specifications or details or any part thereof to be contrary to the spirit or intent of the Design Guidelines or these conditions and Restrictions. No buildings or improvements of any kind constructed or placed upon any of said lots thereafter shall be moved without the prior written approval of the Committee. In the event the Committee fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced within one year from the commencement thereof, approval will not be required and there will be deemed to have been full compliance with the related covenants.

Declarant, its successors or assigns shall have the absolute right to remove and appoint members of the Committee at any time. The Association or the managing agent may require an Owner to deposit with the Association, within thirty days of the date of notice to such effect, up to one-third of the amount of the estimated annual assessments, without interest, which sum shall be held by the managing agent or the Association as a reserve to be used for paying such Owner's annual assessment and for working capital. Such an advance payment shall not relieve an owner from making the regular payments of any assessment as the same comes due. On the sale of a Lot, the Owner thereof shall be entitled to credit from the grantee for any unused portion thereof.

Section 7.17 *Subordination of Lien to First Mortgagee.*

The lien for any Assessment provided for herein shall be subordinate to the lien of a First Mortgage recorded before the delinquent Assessment was due. Sale or transfer of any Lot shall not affect the lien for said Assessment except that sale or transfer of any Lot pursuant to foreclosure of any such First Mortgage, or any proceeding in lieu thereof, including deed in lieu of foreclosure, shall extinguish the lien of Assessment which became due prior to any acquisition of title to such Lot by the First Mortgagee pursuant to any such sale or transfer, or foreclosure, of any proceeding in lieu thereof including, without limitation, any deed in lieu of foreclosure. No such sale, transfer, foreclosure, or any above-described proceeding in lieu thereof, shall relieve any Lot from liability for any Assessment becoming due after such acquisition of title, nor from the lien thereof, nor the personal liability of the Owner of such Lot for Assessments due during the period his ownership.
