HOA 2

- Vice President: Hal reported two neighborhood properties have been foreclosed on.
- Treasurer: Kathleen gave the treasurer's report; WR continues to be in good financial standing.

- Committee:

- Bylaws and Covenants: Barb explained the current status of the covenants rewrite; a cover letter and summary of proposed updates were mailed and emailed to all home/lot owners; all documents and proposed changes are posted on the Wissler Ranch website. Numerous homeowner meetings will be held to discuss any and all associated covenant revision proposals. Dates were determined and will be posted on the mail kiosk bulletin board as well as the WR website. All homeowners will have the opportunity to vote on whether or not to accept or reject any changes to the current documents.
- Covenant Compliance: Homeowners are reminded that WR is a covenant-controlled community and as such residents must maintain compliance at all times.
- A courtesy potential covenant violation email was sent to a homeowner for an unapproved trampoline placement; the trampoline has been moved and the issue is closed.
- "Dogs off leash" violations continue to be an issue. It is also an El Paso County Ordnance violation. A notice will be posted on the bulletin board reminding homeowners that dogs <u>MUST</u> be leashed at all times when off their property, especially in the common area and on the trail. Courtesy potential covenant violation emails will be sent to those homeowners seen walking their dogs off leash. If the violation persists, homeowners will be fined and Animal Control will be notified.
- Homeowners and their guests are reminded to park on approved/non-combustible surfaces <u>only</u>. It is a covenant violation to park on the grass, dirt, etc., unless otherwise approved by the Design Review Committee;
- The board was notified of two temporary trailers in the neighborhood; one for storage until a sewer backup situation is resolved and one for a kitchen remodel.
- Design Review: Wayne presented a written report to the board on DRC activities as well as an update on proposed changes to the common area parking lot.
- Forestry (includes Fire Wise): Jack reported that trees removed from a property were "ips" beetle kill; concern over dead trees in the common area was expressed and discussion ensued. A motion was made and passed for the committee chair to get bids

from three different arborists. One or two trees may be cut down to determine "cause of death."

- Infrastructure: Hal and the committee are continuing to research our three cisterns; all avenues for finding the original plans have been exhausted. Discussion on building an additional cistern and or well in the common area occurred. Infrastructure & the DRC will continue working together on preliminary plans for the parking lot redesign.
 - Neighborhood Watch: see President's report.
- Water: A certified covenants violation letter with subsequent fines notifications was mailed to a homeowner for failing to install a water meter and failing to report a timely, correct meter reading. The letter will be recorded with the County as this concerns one of the foreclosed properties.
 - Website: no report
- Welcome: Sandy reported four new families moved to our community. Welcome!
- Old Business: none
- New Business:
 - Royal and Sharla will review the RV rule.
- The next board meeting is scheduled for September $23^{\rm rd}$, 10:15AM-12:00 PM, at the Monument Library.
 - Future meeting dates are posted on the mailbox bulletin board.
- **Adjournment**: The meeting adjourned at 12:00.
